10th January 2018

Dear Parent/Carer,

YEAR 11 GCSE GEOGRAPHY FIELDTRIP TO BURBAGE BROOK

As part of your child's GCSE Geography course a piece of fieldwork needs to be completed. This is fundamental in order to gain the skills needed for the fieldwork-based exam students will be completing. In order to collect the data for this, we have organised a visit to Burbage Brook in Derbyshire on Friday 16th February.

This will give students the opportunity to study the river change and processes in Burbage Brook. This is an integral part of the course so it is important that your son/daughter participates.

The cost of the trip will be covered by Sutton Community Academy.

Students will not be in school uniform but will need to wear appropriate clothing for working in and around the shallow river environment (including warm clothes, waterproof coats and wellies) and must bring a packed lunch with drink. We will be leaving from the High Pavement side of school at 8.40am (please arrive 10 mins prior to this) and aim to return for 3pm, however, with traffic this is not guaranteed so additional arrangements for students to get home may be required.

Please complete the reply slip at the bottom of this letter by Friday 26th January and ensure you have returned your child's EV4 sent out at the start of the school year to allow them on school visits.

Yours sincerely

Miss Walton
Head of Humanities
