

Dear Parent/Carer

21st September 2020

RE: Year 11 Intervention Schedule 2020/21

Following a prolonged absence from school due to the pandemic, students have returned to school extremely focussed and are showing a real desire to achieve well in their summer examinations. With this in mind, the academy recognises the need for additional support and increased teaching time to help all students meet their potentials. We would like to thank you for your ongoing support, especially on this matter.

To ensure we deliver this, we have put together an extensive intervention programme that runs throughout your child’s time in Year 11. The academy intervention programme is led by the Heads of Departments and delivered by subject teachers.

The morning school intervention sessions began on Wednesday 16 September 2019, whilst the after school intervention sessions will commence from Wednesday, 23rd September 2020.

Intervention sessions will predominantly focus on plugging gaps in subject content – i.e. knowledge and skills.

Each student has been allocated daily sessions that take place during tutor time and therefore it is vital that students have all their workbooks/ resources provided by the subject teacher with them during those sessions. The daily 20 min sessions will be on an alternating basis as outlined in the table below:

| Daily 20 minutes session rota | | | | |
|-------------------------------|---------|-----------|----------|---------|
| Monday | Tuesday | Wednesday | Thursday | Friday |
| Maths | English | Maths | English | Science |

The topics students cover in the subject workbooks will reinforce and consolidate what they are studying during the week in their lessons.

After school intervention sessions are mandatory and will finish at 4:15pm. The intervention timetable runs for the rest of the academic year. Once again, your support in ensuring that your child attends every session is appreciated. The table below outlines the intervention timetable by subjects and this will be on a 3 week rolling basis:

| Weekly after school intervention rota (3.15pm – 4.15pm) | | | | | |
|---|-----------|---------|-----------|-------------|------------------|
| | Monday | Tuesday | Wednesday | Thursday | Friday |
| Week 1 Wb 21.09.20 | MFL | English | Maths | Science | PE |
| Week 2 Wb 28.09.20 | Geography | English | Maths | Science | Depart. requests |
| Week 3 Wb 05.10.20 | History | English | Maths | Open Bucket | Depart. requests |

| Weekly after school intervention rota (3.15pm – 4.15pm) | | | | | |
|--|---------------|----------------|------------------|-----------------|---------------|
| | Monday | Tuesday | Wednesday | Thursday | Friday |
| The rota will repeat on a 3 week basis for the rest of the academic year | | | | | |

Please note, that further intervention sessions will be scheduled for the October half-term and further details will be sent in due course.

Many thanks for your on-going support and if there are any queries, please do not hesitate to contact me.

Yours sincerely,

M.C. Nicholl-Pierson
Vice Principal
