

## Contextual Information for Higher Education Providers (2021)

COVID 19 implications for the current cohort.

March 23<sup>rd</sup> Sutton Community Academy closed due to Government guidelines.

During the lockdown students were sent work through Microsoft TEAMS for online work for remote working, no face to face teaching to place until June. Students were able to contact staff via email and through Teams to ask questions during this lockdown. All work set was a recap of previous work taught before lockdown, no new topics were delivered from March to June 1<sup>st</sup>.

From June to July students could choose to attend 4 x 1 hour sessions of face to face lessons in each subject.
