Dear Parent/Carer

We look forward to sharing with you this term a range of different revision strategies to help support your child throughout their courses and examinations. We have a forthcoming 'Revise Right' event which we hope will be beneficial to yourself and students. More information will follow on this.

In the meantime, we have a selection of free webinars provided by the team at GCSEPod which your child is able to access through their email account.

GCSEPod are thrilled to be collaborating with Cameron Parker, a renowned motivational speaker for schools and colleges. Through this collaboration, we are recommending his free webinars to your students to inspire them to succeed. Including practical tips on how to use GCSEPod that Cameron will be incorporating into his sessions.

Cameron will host three fast paced, high-energy student webinars, focusing on motivation, mind-set, working smarter and achieving the optimum study/life balance.
