Nottingham College - No planned dates for online events, but register your interest here to receive invites to future events : <https://www.nottinghamcollege.ac.uk/about-us/events/open-days>

West Notts College - A wide range of online events including open evening and parent information sessions throughout April. Find out more at: <https://www.wnc.ac.uk/Open-evenings-and-events/>

Careers Appointments

The vast majority of Year 11 students will have now had a one-to-one careers appointment with the school's careers advisor.

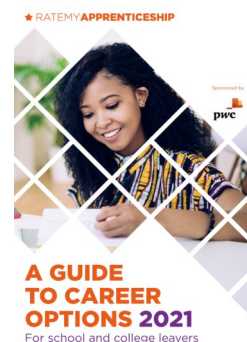

From April onwards, students in any year group can request an appointment to discuss their career ideas and next steps. This may be of particular benefit to students in Year 9 when deciding on their GCSE Options.

To request a meeting, please email jayne.drury@suttonacademy.attrust.org.uk

We will also be introducing evening appointments offered via Teams, should parents wish to join the careers meeting too. Further details will follow soon about how to book these via our online careers portal.

Thinking of doing an Apprenticeship?
