

## Post-16 Transition Timetable 2021

Updated: 28th May 2021\*

Our Post-16 Transition sessions will run for 3 weeks immediately after the summer break. We expect all students who have applied to our 6th form to attend sessions in the subject areas that they have applied. We hope that other students will find this programme helpful in preparing them for their future studies, and encourage all students who are moving on to or considering further education to attend the relevant sessions.

Throughout this period, tutor times are no longer taking place, though your tutor will be available to meet with you during normal tutor time on request, should you wish to discuss anything with them (please email them directly via your school email account to arrange a time).

Students attending the Academy should sign in at reception 5-10 minutes prior to their session and sign out afterwards. There will be no break/lunchtime provision for year 11 students after half-term, but we will allow students who wish to remain on-site between sessions to do so. All students attending the Academy after half-term are expected to adhere to our 6th Form Code of Conduct, and as such will not be expected in uniform - but should wear suitable attire according to the 6th Form Dress Code. Full details of our Post-16 expectations are available on the Academy website: [suttonacademy.atrust.org.uk/post16/](http://suttonacademy.atrust.org.uk/post16/)

\*Session times and rooms may change slightly - please check the Year 11 Teams page or the Academy website for updates.
