

# Sutton Community Academy

## Careers Programme

Published September 2021

Information for Parents

To help prepare your child for their future transitions into work or study opportunities, they will engage in a diverse careers programme which will allow them to develop the skills and knowledge required to have a positive career. During your child's time at Sutton Community Academy students will have the opportunity to;

- ⇒ Learn about different jobs and the skills required for them through their curriculum lessons
- ⇒ Learn about and develop key career-decision making skills
- ⇒ Explore career progression through first-hand encounters with a variety of businesses and training providers
- ⇒ Attend one-to-one personal guidance interviews with a Registered Career Development Professional
- ⇒ Experience workplaces through a variety of visits
- ⇒ Have a first-hand experience in the workplace by taking part in citizenship placement during Year 10
- ⇒ Enhance their employability skills
- ⇒ Learn about entrepreneurship, employment options, job applications and selection processes

These activities are supported by the use of the Career Development Framework:

### For a positive career you need to...

If you would like further information about the Academy's careers programme, or would like to discuss the options available to your child at various key decision making stages, please contact the Academy's Career Leader -
