Dear Parent/Carer

Community Lettings

Sutton Community Academy are sorry to hear of the recent changes in our local area linked to partial or full closure to facility usage at some prominent community venues. From listening to our community, we are aware this has resulted in a large proportion of the immediate and wider community, not having access to facilities to continue their regular community activities.

As many of you will be aware, at Sutton Community Academy we are passionate about our sport/leisure facility provision for our students, but also our wider community offer in regards community lettings for families, community clubs or organisations to use our excellent facilities, outside of school hours and our extensive enrichment offer. For many years now, we continue to help and support so many local groups and individuals and over the recent months, linked to local community facility changes, helped so many more which we are only too pleased to do.

Facilities Include: 3G Football Pitch, Sports Halls, Activity Area, Squash Courts, Grass Football Pitches (5v5, 7v7, 9v9 & 11v11), Theatre, Classrooms and Function Rooms
Casual, Seasonal or All Year Round booking options can be explored.

If you or anyone you know has been affected by these recent community changes and are looking to find a new venue for a club or activity, please get in contact with our dedicated leisure team to see how we could help. Rest assured we will continue to do our utmost to help as much of the community as possible.

If for any reason we unable to help with your specific enquiry, we will do our utmost to signpost you to others that might be able to help.

Yours sincerely
