

Sutton Community Academy

Duke of Edinburgh Award

SUTTON
COMMUNITY
ACADEMY

At Sutton Academy we are proud to deliver the Bronze and Silver award to students from Year 9 onwards.

The award encourages and promotes students to work in teams, develop confidence and resilience, work to timescales, learn new skills, and support the school and community.

At Sutton Community Academy, whilst we encourage to develop activities they are already taking part with we deliver a package “in house” of activities that students can do as part of their skills, physical and volunteering sections.

The Duke of Edinburgh award programme in Sutton Community Academy is run by experienced staff, and supported by Young Ambassadors who are there to assist new students coming through the scheme. It is recognised worldwide as a fantastic scheme that supports young people in learning new skills.
