

18th July 2022

Dear Parents/Carers,

As temperatures are set to rise even higher tomorrow and red weather warnings are still in place, we have decided to make alterations to the timings of the school day for **tomorrow (Tuesday 19th July) only** in order to keep students and staff as comfortable as possible.

We are shortening lessons, this way students will get access to their normal curriculum, but lessons will be shorter, meaning that students have less time in the classrooms.

The timings of the school day for Tuesday 19th July will be as follows:

Tutor Time	Period 1	Period 2	Break 1	Period 3	Break 2	Period 4
8.40-8.45am	8.45-9.35am	9.35-10.25am	10.25-10.50am	10.50-11.40am	11.40-12 noon	12-12.50pm

Students will be able to leave the school site at **12.50pm**, before the peak of the temperature.

Any students who need to stay in school until 3pm will be able to do so and they will be relocated to an air- conditioned space in school and supervised until the end of the day. These decisions are not taken lightly and we are trying to mitigate the impact on both students and staff in school during this unprecedented weather.

Can I also please remind you that **Wednesday 20th July** is our Sports Day at the Institute of Sport in Sheffield. This event will go ahead as planned and students will need to come to school in full SCA PE kit for the day.

Thanks again for your continued support.

Patrick Butterell

Principal
