## WHERE?

The sessions will be delivered at Sutton Community Academy.

The week will end with a public performance where friends, family, teachers, peers and industry professionals will be invited to come and watch what we've created throughout the week.

# **LUNCH INCLUDED**

**Lunch will be  
provided during the  
sessions along with  
a morning and  
afternoon snack**

## WHO IS IT FOR?

There are 30 places available each week for students up to 16 years of age.

Students on free school meals will be eligible for a funded/free place but all are welcome to apply.

You don't have to have done ANY drama classes or have any experience with drama and performing before, but an interest in it would be good!

Creating a performance from nothing requires an open-mind and creative ideas.
