

Open Event Quiet Hour

25 February 2023 | 9-10am
20 May 2023 | 9-10am

The change from a school to a college environment can feel overwhelming for some students. To support everyone in having a positive experience at our open events we have designated a quiet hour.

Between 9-10am we are welcoming students to come and talk teachers and support staff in a calmer, more relaxed setting.

Spaces are limited so make sure you book your place.

Register your attendance by scanning the QR code below and booking a ticket or contact the Learner Engagement team to discuss anything further.
