Dear Parent/Carer,

How to support your child during the upcoming GCSE Examinations

As we approach the start of the GCSE Examinations, we would like to offer you the opportunity to attend our Revision Evening which will provide practical advice and guidance on how you can best support your son/daughter through the exam period.

The evening will cover how best to deal with exam anxiety and stress as the exams approach and during the exam period alongside tips for promoting positive wellbeing. It will also share some practical revision and preparation strategies that you can undertake with your son/daughter. Staff will also be there to offer advice and discuss options for Post-16 Study and there will be a variety of practical resources to take away and use in the run up to examinations.

The evening will take place on **Thursday 2nd May at 4pm** in the Princess Suite and will last approximately one hour. Food and drink will be provided at the event.

Please feel free to contact us should you require any further information, and we look forward to welcoming you on **2nd May**.

Yours sincerely

A Paulson
