21<sup>st</sup> May 2024

Dear Parent/Carer/Student,

**Welcome to Year 11 Event – Tuesday 11<sup>th</sup> June 4pm-5pm**

Starting Year 11 can be an exciting yet daunting prospect for students in Year 11. In order to support with this, we are providing a range of activities within the Academy to aid a smooth and successful transition into the Year 11 so that students are aware of what to expect and the support that is available for them as they head towards their GCSE examinations.

To further help with this and so that families can know what to expect and how to support at home, we are holding a 'Welcome To Year 11' event in the Academy on Tuesday 11<sup>th</sup> June from 4pm until 5pm. This event is aimed specifically at parents/carers, but it would also be beneficial for your son/daughter to attend as well. The event will take place in the Princess Suite and will focus on the following areas: how to support student well-being during exam time; revision strategies; interventions that are available to support with learning; preparation for end of year exams and other opportunities that are available to support with this throughout Year 11. It will also be an opportunity to discuss and find out more information about the upcoming Work Experience that students are participating in at the end of the year.

Food and drink will also be provided at this event and staff will be available to discuss any questions that you may have.

We look forward to welcoming you all to this event.

Yours sincerely
