High Pavement, Sutton-in-Ashfield
Nottinghamshire, NG17 1EE

Principal: Mr L Taylor

9th January 2026

Dear Parents, Carers and Members of the Local Community,

I am writing to inform you that the academy will be closed today due to adverse weather conditions. Following a thorough assessment of the surrounding roads, the academy site, and travel conditions, we have taken the decision to close in order to ensure the safety of our students, staff, families and the wider community when travelling to and from the site. This decision has not been taken lightly; however, given the current circumstances, we believe it is the correct and responsible course of action. To support continued learning, work will be available for students to access remotely via the following link. Students can access work through our Learn from Home Grids, which are available on the student portal - students should log in using their usual school username followed by **@attrust.org.uk** and their regular password.

Direct link: [Spring Learn from Home Grids](#)

We appreciate your understanding and cooperation at this time.

Please take care, stay safe, and, if conditions allow, I encourage students to enjoy some fun in the snow later on in the day.

Further updates will be shared if circumstances change.

Yours sincerely,

Mr Taylor
Principal
