Principal: Mr L Taylor

12th March 2026

Dear Parents and Carers,

As we move into the final weeks before the GCSE examinations, we are pleased to share the schedule for our Easter revision sessions. These sessions have been designed to give students valuable support, targeted practice of common exam topics, and the opportunity to strengthen their understanding ahead of the summer exams.

All Year 11 students are encouraged to attend the sessions for the subjects they study, wherever possible. Staff have planned these sessions to be focused, practical, and highly beneficial in helping students approach their exams with confidence.

The full timetable of sessions is attached for your reference.

In addition to these Easter sessions, please continue to encourage your child to attend their period 6 sessions from 3-4pm. Period 6 classes are highly revision focused and attendance to all of the remaining sessions will add an additional 27 hours of learning – equivalent to a full extra week!

Thank you for your continued support. If you have any questions, please don't hesitate to get in touch.

Yours sincerely

Mr R. Fegan
Vice Principal
Sutton Community Academy
